

Would you be interested in supporting the seniors in your community and promoting your business at the same time?

We are looking for sponsors to place a 12"x 12" company logo on a ready-mix truck that will be donated for our use by James Dick Construction. The logo will cost \$500.00 and will be displayed on the truck for a period of one year. The cost will be fully tax receipted, and the truck will be on job sites throughout the Caledon area and beyond. This would be a great opportunity to show the community your support for Caledon Meals on Wheels, and we will be having the newspapers cover the story when we launch the finished truck. This program will run from late winter/early spring of 2011- 2012. All we require from you is your donation, and the artwork for the logo you would like displayed. All donations will be going directly to Caledon Meals on Wheels for our various programs to support seniors. We have a sign company donating the graphics and logos, and an installer who will apply them at no cost to us.

We truly hope you will consider supporting us here at Caledon Meals on Wheels!

Feeding the Community Spirit for Over 25 Years
